Area 3 Chess Tournament

On Wednesday, March 9, 2011, nineteen Grand Avenue students from Grades 3 to 8 participated in the Area 3 Chess Tournament. All students demonstrated great spirit and sportsmanship. Congratulations goes to the following students who will move on to the D.S.B.N. Tournament to be held on Monday, April 11, 2011 at the C.A.W. hall in St. Catharines:

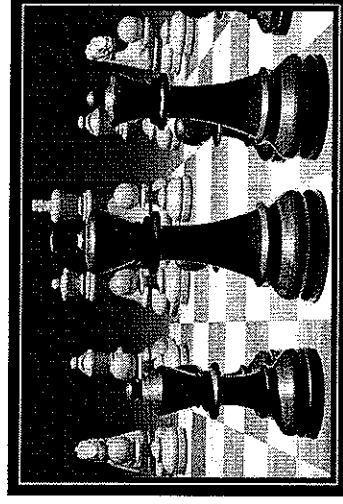

Lauren MacDonnell(Gr. 3),

Silas Bousfield(Gr. 4),

Caleb Hopkins(Gr. 6) and

Griffin Gillis(Gr. 8).

Good luck!

Think Green Recycling Program

This spring it is time for you to clean out that ol' junk drawer and get rid of all of those old cell phones and ink cartridges. The Grand Avenue Grizzlies Gone Global 'Green Team' are going to be working hard to clean up our environment and teach younger children to recycle and reuse.

On April 21st in order to commemorate Earth Day, the students of Grand Avenue are encouraged to wear head-to-toe GREEN! Grizzly House points will be rewarded to those students wearing green. In addition, each classroom is challenged to bring in their used ink cartridges and cell phones on or before April 21st. The class who donates the most to this recycling program will win a pizza party!! Boxes for recycling products will be found in each classroom.

Don't forget- anyone can donate their used ink cartridges and cell phones by placing them in the collection boxes located at the entrance to our school and the library doors.

Proceeds from our recycling program will be used to buy bedding plants to beautify our front gardens.

Take a Gallup on the green side and help support our recycling program!

A special thank you to Mr. Tatlock for coming out to all of the games and practices.

Your help and guidance is greatly appreciated this season!

THANKS!!

The grade 4 class would like to give a special thank you to Ruffin's Pet Centre (on Main Street in Grimsby) for graciously donating the supplies needed for making aquatic habitats.

Your generosity has provided us with a truly memorable experience!

What do we do at Silver Birch club meetings? We read fantastic, Canadian books that have been nominated for an award. We talk about what our favourites are and of course we enjoy some treats and prizes. Everyone who reads at least six of the books gets to join students all across Ontario in voting for their favourite. This year we also hope to attend the DSBN silver birch conference which is a day filled with fun games and activities as well as presentations from the authors.

Happy reading Silver Birchers!
