

\$5/LESSON
2 LESSONS/WEEK

All beginning and returning students must complete and return the attached registration form. Students who are beyond their first year of instruction are encouraged to provide their own instrument, *if possible*, in order to allow DSBN instruments to be available for beginning students' use.

Each student will receive **two weekly lessons**: One group lesson during school hours and one after-school band/orchestra rehearsal.

In-school lessons are *usually* held in the student's home school, but when numbers do not warrant, students will be offered an alternate option.

After-school band/orchestra rehearsals are held at a centrally located school and draw students from a number of different home schools. This is an experience that is like no other music program.

Our music program runs from the 3rd week of September until the last week of May.

The after-school rehearsal is an integral part of our music program. Regular attendance is equally as important as attendance at the in-school lesson.

Parents are responsible for all transportation to and from after-school rehearsals, and usually find it convenient to arrange car pools amongst themselves.
