What to Bring...

Bagged Lunch (NUT FREE) – Our active programs require lots of energy and a healthy lunch will make the day enjoyable for all participants. We require all visitors to the Walker Living Campus bring a litter less lunch, which includes re-usable food containers, utensils and lunch bags, as well as recyclable containers such as cans and bottles.

Snack...

Please bring a snack that will fit in your pocket.

Water Bottle...

We have a hydration station, so refillable water bottles are recommended.

Clothing...

We will be spending most of the day outdoors (rain, snow or shine except severe storms). Therefore it is essential that all participants dress appropriately for the weather. We are in a forested area so the temperature at the Living Campus is usually 5 – 10 degrees cooler than other areas.

Consider rain coats/boots/splash pants in the Spring and Fall and snow boots/pants, winter hats, mitts/gloves in the winter.

Wear clothes you can get dirty!

Dress in layers

CLOSED TOE and CLOSED HEEL SHOES (such as running shoes) are mandatory

What to leave at home...

Umbrellas, electronic devices including cell phones, iPads, iPods, radios etc.

Ticks are often found in forested areas or areas with long grass. They can attach to humans and pets that are passing by.

So what can you do to help prevent a tick bite during your visit to the Walker Living Campus?

- Use insect repellents , such as Off!, that contain DEET prior to your arrival
- Wear light coloured clothing to help spot ticks
- Tell an Adventure Guide if you see a tick on yourself or a peer, we can help you safely remove it
- Do a full-body check on yourself, you can ask your guardian(s) for help, after your visit

The cost of the trip is \$5.00 per student, however the school will be subsidizing the cost of the trip.

Please note this item will only be available on School cash on line until midnight April 23, 2018
